DES MOINES 11 IOWA

Rooted cuttings, plants, etc., of the following varieties to be sent by parcel post, special handling. If you wish Special Delivery or Air Mail add the charges for same. 45¢ for Special Delivery, Air Mail depending on weight and zone. ALL orders must be accompanied by a 75¢ handling charge to help cover cost of postage, packing, materials, etc. No orders will be accepted unless accompanied by this handling fee. Iowa customers must include 2% state sales tax as required by state law, but this is not applicable to mail order customers out of the state. Orders will be filled in rotation and shipping will start about April 15th OR later depending on weather conditions in your vicinity and mine. We ship outside of the United States ONLY by express, collect, therefore customers outside continental U.S. need not include the 75¢ handling charge.

Our rooted cuttings are planted leaves with young plantlets attached. In the case of a few varieties, new or slow growing, we may have to send well rooted leaves not yet sprouted, but this happens only occasionally. We guarantee safe delivery of your order but cannot be responsible for their culture after you receive them, as we cannot, of course, control growing conditions in your home. If your order is damaged in transit, or not in good order, please return immediately for adjustment or replacement. No adjustment will be made unless this is done IMMEDIATELY.

When ordering PLEASE list a few substitutes. We do not substitute unless absolutely necessary, but do reserve the right to do so if necessary.
